Dear Dr. Solitario:

Greetings!

Early detection and treatment of vision problems in children is imperative to meet the challenges of childhood blindness. Considering the problems of inequitable distribution of trained manpower and limited access of quality eye care services to majority of our population, innovative community-based strategies like Teachers training in vision screening need to be developed for effective utilization of the available human resources.

In the light of this situation, the Department of Health Regional Office XI in collaboration with your institution will a conduct a **Training on Vision Screening for Department of Education - Division of Compostela Valley Teachers**. This training is an important strategy to empower the teachers help develop their capabilities in the early recognition of the signs and symptoms of eye diseases among their students and will aid them make proper judgment on when and where to refer the students. This training also aims to develop advocates on the Prevention of Blindness Program in the community.

In line with this, we would like to request **Ms. Rosalie Mahinay, RN** to be one of the Facilitators in the aforementioned training on **March 15, 2018** (8:00 am to 5:00 pm) at **Café Noventa, Nabunturan, Compostela Valley**.

For inquiries, please contact Ms. Mary Lynn M. Ang, RN, through these numbers, 305-1906 local 1143 or 0947 991 9404.

Anticipating for your continuous support to the program.

Truly yours,
